Mission Aire

Air Conditioning • Heating • Ventilation • Refrigeration

As a gesture of appreciation for allowing Mission Aire to service your HVAC needs in the past, we're extending this special offer to a limited number of valued customers and friends. Ensure your summer will be a cool and comfortable one by servicing your equipment before the temperatures rise! This is a limited time offer, and promotional visits will be booked on a first come first serve basis. Don't miss this valuable opportunity to service and inspect your air conditioning for pennies on the dollar.

Our summer tune-up special includes the following services:

- Wash the condenser coil
- Check the refrigerant charge
- Inspect the electrical, tighten terminals as needed
- Lube motor bearings
- Determine proper airflow
- Inspect existing ductwork, check for air leaks
- Check the plenum for air leaks
- Clean out condensate drain
- Inspect the filter and replace or wash
- Operate, test efficiency of temperature splits
- Advise and report if any deficiencies are found
